

BUILDING THE WALL

You are a Roman soldier on duty in Scotland. You are going to be very busy building a wall. Here is a picture showing all the different tasks.

A) Can you label these tasks in the right place on the picture?

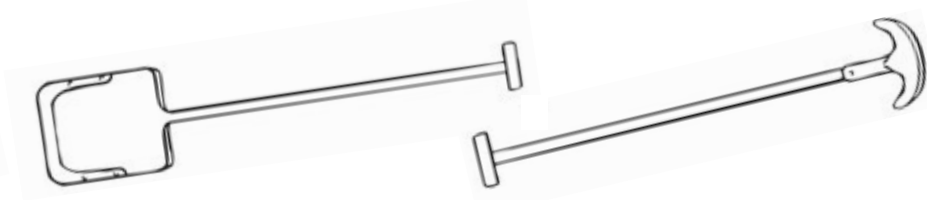

Digging
the ditch

Breaking stones
for the base
of the wall

B) Can you organise the tools for the job? Draw a line from each tool to where it could be used.

C) Which job are you going to sign up for? Why?

Which job would you least like to get?

D) With other members of your legion (join together with some friends or family members), act out a scene from the Building the Wall picture.
